

# RSCO Family Fun Night and Application Assistance

**December 13, 2022 • 5:00 to 7:00 p.m.**

**Riverside Magnet School, 29 Willowbrook Rd., East Hartford**

## It's that time of year again!

The RSCO School Choice Application for the 2023-24 school year is opening on December 5, 2022! To celebrate the launch of the application and give families the information they need to choose the right school for their child, RSCO is hosting its first Family Fun Night.

While the kids “shop” for free at our Winter Bazaar and enjoy hot chocolate and free food from a soup and grilled cheese food truck, staff will be available to answer your questions about the amazing school choice options available to your family, from Magnet Schools to the Open Choice Program, to Hartford Region technical high schools. Families can get the help they need to submit a RSCO school choice application on the spot!

**Sign up for this fun day today!**

**Free food, winter activities, crafts, and much more!**

**Learn all about your school choices and get the help you need to submit an application during the on-time period!**

**For more information, contact RSCO at 860-713-6990 or [rsco.sde@ct.gov](mailto:rsco.sde@ct.gov).**

*We will take pictures and record videos during the event to capture great moments and happy faces for Regional School Choice Office marketing materials and social media. Please understand that your attendance at the event constitutes your consent to be photographed and recorded and for these photographs/videos to be used in our marketing materials and on social media. However, if you do not want to be included in pictures or videos, be sure to let us know at check-in.*
